

## Henry Rotich

Dr Henry Rotich is Director of Metrology & Testing at Kenya Bureau of Standards, KEBS since 2015.

He has a strong experience in quality regulatory environment and has published a number of scientific papers and articles . Currently serving as the President of intra africa Metrology organization which coordinates traceability of measurement in africa to the international system of units (SI). I champion the establishment of a robust quality infrastructure in Africa under the Pan Africa Quality Infrastructure ( PAQI).
